

1. PRODUCT NAME

NorthRock[®] Red Lava Rock

2. MANUFACTURER

TCC Materials
2025 Centre Pointe Blvd.
Mendota Heights, MN 55120 USA
Phone: 1.651.688.9116
Web: tccmaterials.com

3. PRODUCT DESCRIPTION

NorthRock Red Lava Rock is a lightweight, porous, decorative volcanic rock with a unique aesthetic appeal. Its deep burgundy color will enrich the look of your landscape project while helping retain moisture and deter weed growth. It provides lasting beauty and comes in ½ cubic foot bags for ease in placement.

Note: NorthRock aggregates are a naturally mined product. Color consistency may vary slightly from different veins within the quarry.

Features and Benefits

- Convenient ½ cubic foot bag
- Durable natural decorative material, does not decay
- Does not fade with sunlight or moisture
- Does not attract pests like ants and termites
- Helps reduce erosion and maintain moisture
- Stays in place better than plant-based mulch

When/Where to Use

- Interior/exterior locations
- Landscape edges/borders, around trees, shrubs, and other areas

4. TECHNICAL DATA

NorthRock Red Lava Rock is a natural material, close quality control is practiced however color variations are inherent.

Available Size

- ½ cu. ft. bag (BOM #100618)

Coverage

- Each ½ cu. ft. bag will cover up to 3 sq. ft. at 2 in. depth.

5. INSTALLATION

Approximate number of ½ cu. ft. bags needed			
Area to cover	2 in. depth	3 in. depth	4 in. depth
50 sq. ft. (5' x 10')	16	25	33
100 sq. ft. (10' x 10')	33	50	66
200 sq. ft. (10' x 20')	66	100	133
Or multiply by:	0.33	0.5	0.66

Preparation and Application

Read all directions before starting work. Follow all industry standard safety procedures when working with construction and landscape products.

Note: It is the responsibility of the installer/applicator to ensure the suitability of the product for its intended use.

Clean Up

Use soapy water to clean hands and tools immediately after use.

Safety

READ THE SAFETY DATA SHEET (SDS) BEFORE USING THIS PRODUCT. SDS information is available on our website: tccmaterials.com

Cautions

Read complete cautionary information printed on product container prior to use.

This Product Data Sheet has been prepared in good faith on the basis of information available at the time of publication. It is intended to provide users with information about and guidelines for the proper use and application of the covered NorthRock brand product(s) under normal environmental and working conditions. Because each project is different, TCC Materials cannot be responsible for the consequences of variations in such conditions, or for unforeseen conditions.

6. AVAILABILITY
