

1. PRODUCT NAME

NorthRock® Paver Base

2. MANUFACTURER

TCC Materials
 2025 Centre Pointe Blvd.
 Mendota Heights, MN 55120 USA
 Phone: 1.651.688.9116
 Web: tccmaterials.com

3. PRODUCT DESCRIPTION

NorthRock Paver Base is ideal for forming a stable base and underlayment for segmental concrete pavers, clay brick pavers, paving stones, patio stones, concrete edgers, and segmented retaining walls. Made with Class 5, a grade of material commonly used for road beds, which consists of ¾" rock, sand and fines. This moist product, when compacted, will bind together firmly. Industry practice suggests an application of 4"-6" of paver base should be placed below your patio and tamped or compacted. Paver Base is used with Paver Leveling Sand, and Weed-Blocker Paver Locking Sand as a paver installation system.

Note: NorthRock aggregates are a naturally mined product. Color consistency may vary slightly from different veins within the quarry.

Features and Benefits

- Convenient ½ cubic foot bag
- Provides the proper drainage for paver installations
- Great durability where the ground has potential for freezing

When/Where to Use

- Interior/exterior locations
- Forms base and underlayment for paver installations

4. TECHNICAL DATA

NorthRock Paver Base is a natural material, close quality control is practiced.

Available Size

- ½ cu. ft. bag (BOM #106100)

Coverage

- Each ½ cu. ft. bag will cover up to 1½ sq. ft. at 4 in. depth.

Approximate number of ½ cu. ft. bags needed		
Area to cover	4 in. depth	6 in. depth
50 sq. ft. (5' x 10')	34	51
100 sq. ft. (10' x 10')	67	100
200 sq. ft. (10' x 20')	134	200
Or multiply by:	0.67	1.005

5. INSTALLATION

Preparation and Application

Refer to Paver Sands Material and Applications Guide. Follow all industry standard safety procedures when working with construction and landscape products.

Note: It is the responsibility of the installer/applicator to ensure the suitability of the product for its intended use.

Clean Up

Use soapy water to clean hands and tools immediately after use.

Safety

READ THE SAFETY DATA SHEET (SDS) BEFORE USING THIS PRODUCT. SDS information is available on our website: tccmaterials.com

Cautions

Read complete cautionary information printed on product container prior to use.

This Product Data Sheet has been prepared in good faith on the basis of information available at the time of publication. It is intended to provide users with information about and guidelines for the proper use and application of the covered NorthRock brand product(s) under normal environmental and working conditions. Because each project is different, TCC Materials cannot be responsible for the consequences of variations in such conditions, or for unforeseen conditions.
