

Conproco Matrix · Conproco Matrix Superfine · Conproco Matrix TR · Conproco ISR CM · Conproco RePoint

1. Select Material (For Terracotta repair, please use the Terracotta Match Form)

- Conproco Matrix (\$125 per match) Conproco Matrix TR (\$125 per match) Conproco RePoint Type N (\$125 per match)
- Conproco Matrix Superfine (\$125 per match) Conproco ISR CM (\$125 per match) Conproco RePoint Type O (\$125 per match)
(Use Superfine where very fine finishes are required.)

2. How will you finish the material at the jobsite? Texturing the sample correctly ensures a proper color match.

- Smooth Shaved

3. Cleaning Substrate

If the building will be cleaned, clean your substrate. We do not clean substrates.

4. Mark Your Substrate

Mark the color to be matched with an "X".

5. Mail Us Your Substrate

Print this completed form, and send with your substrate to the closest location:

TCC Materials
388 High St
Somersworth, NH 03878

*Once we receive your substrate, we will contact you for credit card payment.

Minimum Size

4" x 4"

*Substrate will not be returned
